COOL**GEEK**
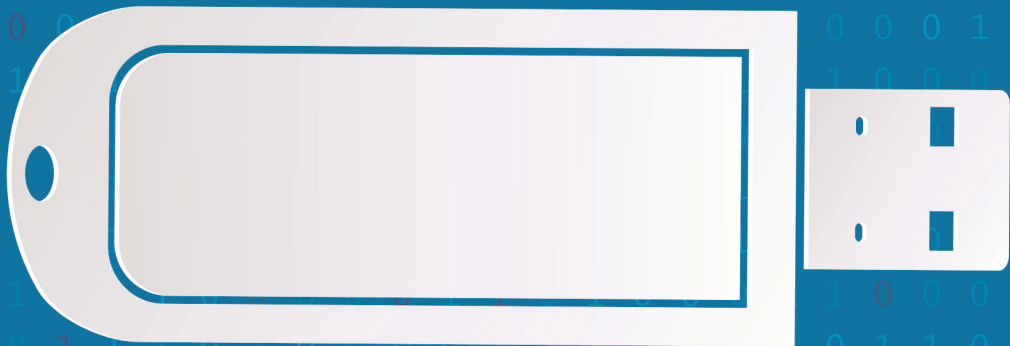

1010 W. Tehton Ave. | Phoenix AZ 85008

YEAH,
WE'RE BRINGING
NERDY BACK.

WHAT WE DO

Computer Repair Services

- Virus/malware removal
- OS reinstallation
- Hardware repairs
- Data recovery
- Security software installation
- Cleaning & maintenance

Internet & Networking Services

- Internet setup
- Wired or wireless networking

Computer Training

We provide one-on-one training at your location. We can teach you everything about computers, from how to use your applications and operating system, to how to repair your computer and network yourself!

We won't charge a thing
if we don't fix your problem!
