CHOOSE YOUR STYLE...

BLINDS

When it comes to blinds, we have you (and your windows) covered. We offer quality, customizable blinds in a variety of types and colors. Shop our own brand of window blinds, which have been our specialty since 1978, or Hunter Douglas, the largest custom-made blinds manufacturer in the world. Choose from wood, faux wood, vertical, mini, vinyl and cellular.

SHADES

Villa Window Treatments is your destination for custom window shades in a wide variety of options, colors and upgrades. We can help you select the perfect window shadings to meet your precise room lighting conditions and wishes. Choose from cellular, roller, soft Roman, horizontal sheer, Roman, woven wood, pleated and solar.

DRAPES

Curtains and drapes are included in custom window treatments from Villa Window Treatments. Whether it's curtain and drapery panels or decorative hardware, we can transform your room to fit your design style. Our expert Design Consultants work with you one-on-one to come up with the perfect solution for your window shadings. We're here to meet your precise room lighting conditions and wishes.

SHUTTERS

Select from wood and polymer that won't warp, fade, crack or peel. Choose painted or stained finishes to complement existing wood furnishings. Our shutters can be customized to fit any size or space such as oblongs, arches and even octagons! Elevate your home's sense of style with an architectural beauty that makes a memorable first impression.

CUSTOM

Looking to add the long-lasting richness of custom window treatments but challenged by a few odd shaped arches or even octagons? Not to worry, because our premium window treatments can be customized to fit any size or space! To ensure a truly customized look that reflects your own fashion sense, an array of style options are available.

New Color App can match any color in any room!
