

YOU'RE INVITED

With approximately **1,000 students** enrolled in Accounting/ Finance at ASU, the ASU Student Chapter sees this as 1,000 potential members and is holding an event to promote IMA to these students. The theme for the event will be "Stress Management" – something all students can benefit from (especially since the event will be before finals)! During this fun-filled event, students will learn how to remain stress-free under pressure, how to avoid feeling overwhelmed and how to stay balanced.
