Engage with 6,300 student members globally in 92 student chapters and explore *LinkUp IMA*, our international social network

Which can lead to...

About IMA Arizona Valley of the Sun Chapter
The Institute of Management Accountants (IMA) provides members with personal and professional development opportunities through education, association with business professionals, and certification in management accounting and financial management skills. Our chapter has 500 members consisting of accounting and finance professionals, retired professionals, and students. Many members are CPAs, CFEs and/or CIAs, and 185 members currently hold a CMA designation. Visit www.imavalleyofthesun.org for more information or contact:

Cheryl Brock
